Vineyard Notes

The 2019 vintage in Margaret River was milder than average. High bird pressure and humidity were mitigated through careful crop management and the early application of bird netting. The cooler season lengthened the ripening of grapes, giving us picking windows for optimal grape development. This favoured the intensity of flavour and aroma profiles of the finished wines

Production Notes

Every batch in this blend was handpicked and hand sorted over a period of many weeks to optimise the varietal ripeness before being fermented and matured separately in French oak barrels. After oak maturation, the Great Boulder blend was assembled by selecting the finest barrels that create this unique and intriguing style.

Food Pairing Notes

Slow roasted garlic and rosemary lamb shoulder roast
