Vineyard Notes

The 2020 vintage in Margaret River was one of the best the region had seen in many years. With lower rainfall and higher than average temperatures it allowed for a perfect growing season. No early bird pressure and precision crop management gave the fruit optimal opportunity to achieve full flavour ripeness. The great growing season can easily be seen in the fruit profiles that this wine displays.

Production Notes

Each grape variety in this blend was handpicked and hand sorted over a period of many weeks to optimise the varietal ripeness before being fermented and matured separately in French oak barrels. After 18 months of oak maturation, the Great Boulder blend is assembled by selecting the finest barrels from different batches to create this unique and intriguing style.

Food Pairing Notes

Slow roasted garlic and rosemary lamb shoulder
