Vineyard Notes

The 2019 vintage in Margaret River was milder than an average summer. High bird pressure and humidity were mitigated through careful crop management and the early application of bird netting. The cooler season lengthened the ripening of grapes, giving us picking windows for optimal grape development. This favoured the intensity of flavour and aroma profiles of the finished wines.

Production Notes

The small select part of our family vineyard that is planted 50/50 Shiraz to Cabernet to create this field blend. It was left to be hand harvested late into the season to allow for complex fruit flavours to develop. Hand harvesting the fruit and putting over our sorting table allowed for the purity to shine in this cult classic. Aged in a mixture of French and American oak for a period of 18 months just adds to the complexity, structure and juiciness that this exquisite wine displays.

Food Pairing Notes

Rare Beef Fillet with Honey Carrots and Potato Gratin
